

Active Equipment List

COMPLETE LIST OF ON-SITE EQUIPMENT AT YUMMS

Updated August 30th, 2024

No equipment is to leave the York U Motion Media Studio (YUMMS) premises

Please note: YUMMS does not supply gaffer tape or other grip related expendables. If these items are required for your project, you must supply them.

Any equipment marked with an * requires a certified electrician to be acquired by the user and at the cost of the user in order to connect to the CAMLOCK/SEAWAY electric. This must be organized and confirmed during the booking process.
