## COMPLETE LIST OF ON-SITE EQUIPMENT AT MMS

Updated September 1, 2026.

No equipment is to leave the York U Motion Media Studio (MMS) premises.

MMS does not supply any expendables (gaffer tape, SD cards, booties, grip related expendables etc). If these items are required for your project, you must supply them.

***Any equipment marked with an \* requires a certified electrician to be acquired by the user and at the cost of the user in order to connect to the CAMLOCK/SEAWAY electric. This must be organized and confirmed during the booking process.***
